## LAMP Developer, Creative Link

Aug. 2009 – Feb. 2011, San Antonio, TX

Developed proprietary CMS and managed multiple projects on an ongoing basis. Integrated with numerous XML feeds and API's for data sharing, synchronization and email campaigns.

## LAMP Developer, Diamond Studios

Feb. 2008 – July 2009, Birmingham, AL

Developed proprietary rewards program for Hibbett Sporting Goods website allowing for customers to earn in-store credit through interaction with the corporate website. System was tightly integrated with customer's offline purchases and gift certificate processing.

## Co-Owner/Manager, Video Village

Feb. 2003 – Oct. 2007, Hayden, AL

Managed a busy environment of delivery drivers and cooks while also over looking all daily operations including scheduling, payroll, tax filing, collections, purchasing, employee training and customer relations.

## Sr. ColdFusion Developer, eDiets.com

Aug. 2000 – Oct. 2002, Deerfield, FL

Development and maintenance of web applications and management of legacy applications. Administration of the site database with emphasis placed in XML content delivery and backend synchronization.

## Internet/Intranet Consultant

Jan. 1999 – Aug. 2000

Intranet Developer, AT&T Wireless, Palm Beach, FL  
Managed development of the Southeast region Intranet. Coordinated publishing mechanisms for content, statistics and security. Collaborated with Director of Technology to standardized Intranet security policies.

Sr. ColdFusion Developer, Securelogix, San Antonio, TX  
Lead ColdFusion Applications Developer. Designed and maintained Intranet applications for corporate and e-commerce components.

Sr. Systems Analyst, UAB Hospital, Birmingham, AL  
Collaborated with a team of 10+ members of the Y2K contingency committee with an emphasis in analytical and relational database design.

## Web Developer, Rogue Data, Inc.

Sept. 1996 – Jan. 1999, Montgomery, AL
